Directions for use:

Start with 1 capsule daily. After 2 weeks, increase serving to 1 capsule 2 times daily. Continue to increase by 1 capsule every 2 weeks until reaching a possible serving of 2 capsules 3 times daily.

Toddlers and smaller children may see the most benefits with 2 capsules once or twice daily. Older and larger children may see the most benefits with 2 capsules twice or three times daily.† See guide at www.lifetrients.com/products/speak.

For those children who have difficulty swallowing capsules, parents may wish to open the capsule and blend contents with non-heated foods for consumption.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Before taking a dietary supplement, consult a doctor or other healthcare provider especially if you have a disease or medical condition, take any medication, are pregnant or nursing, or are planning to have surgery.

The proprietary omega-3 + vitamin E formulation developed by a pediatrician for children with special nutritional requirements.
